*Converted to semesters.

Baccalaureate recipients in the degree year who earned a single degree, with a single major, who entered as a New First Year Student (NFYS) at The Ohio State University no more than 20 years prior to their completion term.

Elapsed Years: Years from begin date to completion date
Number of months from first month of first NFYS term to commencement month /12

Credit hours: Total cumulative undergraduate semester hours at completion
(Quarter Hours.67) + Semester Hours*

Enrolled terms: Number of paid terms between entry term and completion, converted to semesters
*(Non-summer quarters*2)/3 + Summer Terms + Semester Terms*

Percent of students who completed their degree in the timeframe indicated. Note: the denominator is the number in the "Students" column.
